

Background and reasons

Corporate Social Responsibility is currently recognized from many industries in Thailand as one of the business operations which requests all businesses to be responsible for not only stakeholders or employees but also other parts in business areas. Due to the increase of business conducting CSR activities for the society in the past years, it points that the future business operations tend to be more undertaken with social responsibilities and developments. Hence, Thanulux Public Company Limited has continuously developed and conducted CSR activities for societies and communities, resulting in various categories of the Company's CSR management. The main 7 principles of CSR management are as follows;

1. Accountability Principle
2. Transparency Principle
3. Ethical Behavior Principle
4. Respect for stakeholder interests Principle
5. Respect for the Rule of Law Principle
6. Respect for international norms of behavior Principle
7. Respect for human rights Principle
